Notes: [a] Not available. However, in the text of this SAN FRANCISCO message para. 1 would appear to be in answer to a MOSCOW request for a repeat of the last phrase of SAN FRANCISCO's msg. no. 32 of 17 January 1944. Paragraphs 2 and 3 would appear to be in response to an affirmative answer from MOSCOW to SAN FRANCISCO's final sentence of their no. 28 of 17 January 1944, i.e. whether or not MOSCOW wanted BELYAEV's information on the P-78 night fighter signalled to them.
